

# September 2019 RAH Newsletter

## Welcome RAH Participants!

Throughout the month of September the RAH children will be participating in fun recreational activities and games. Each day the children return from school we have snack and homework time. Please send your child to school with an extra drink and snack for RAH, vending machines are available if you would like to send your child with change. When picking up your child at the end of the day please be sure to bring a valid photo ID as we will be checking at pick up due to your child's safety.

The children will be doing a lot of outdoor activities while the weather is still nice so we recommend wearing gym shoes. Towards the end of the month we will begin creating fall crafts for the children to take home and begin decorating for the autumn season.  
We look forward to a fun school year!
