## THE CHICAGO RIDGE PARK DISTRICT BOARD OF COMMISSIONERS

The Park Board is composed of five non-paid individuals, selected by you, to serve elected terms. The board is primarily a policy-making body that reflects the needs and interests of all taxpayers. The Board of Commissioners meets on the second and fourth Wednesday of each month at 7:00pm at the *Freedom Activity Center*, 6252 W. Birmingham. The public is welcome to attend.

### Rob Pratt

Rob is the President of the Board of Commissioners and is currently serving his sixth elected term. During this time Rob has overseen the renovation of every playground in town along with the construction of Ball Fore Miniature Golf and Batting Cages and the Lily Pad Splash Pad. While improving and adding to our residents' recreational needs, Rob has been able to help maintain an A+ rating from Standard and Poor's. This reflects a positive performance of very strong cash reserves and credit characteristics. Moving forward, Rob has been instrumental in the District's push to go solar. Lily Pad was the final solar project at this time, making it our fourth building, along with Frontier, Freedom, and Ball Fore to have a solar grid. These projects have been done at no cost to the District, saving taxpayer dollars while helping the environment and reducing our carbon footprint. Some other things to look for in the near future will be the continued installation of cameras at some of our playgrounds. These cameras will not only help protect our playgrounds but also our patrons. Rob is married to Kathy and they have three sons. Rob is a member of the Village Planning and Zoning Board. Rob is a member in good standing of the IBEW Local 134.

### Dave Conrad

Dave and his wife, Judy, have been life-long residents of Chicago Ridge. Dave is on his fourth term and is the chairman of maintenance. Dave holds a degree in criminal law and business. He feels the parks help keep the community together. Good parks are a must and Chicago Ridge has some of the best around.

### Jamie Albon

Jamie and her husband, Rich, have lived in Chicago Ridge for over twenty years. Their four children have enjoyed the many facets of what the Chicago Ridge Park District has offered throughout the years, from the classes to the playgrounds to the walking paths. Their fun-filled days in the parks positively impacted them as they continue to grow into adults. Jamie has a Master's degree in Education and another in reading. She has taught in a local school district for twenty-one years. Jamie is a former school board member who believes the needs of children come first. She feels parks provide an atmosphere for children and families to play and grow together. The parks are the center for learning, teamwork, developing an imagination, and an overall love for the outdoors.

### Mary Crout

Mary is Vice President of the Board of Commissioners and is serving her fifth elected term. Mary holds a Bachelor's degree in Recreation Administration from the University of St. Francis and a Master's degree in Public Administration from Governor's State University. Mary recently retired from the Oak Lawn Park District after a career that spanned 22 years in a variety of positions, most recently Safety Coordinator and Aquatic Supervisor. She is active in Illinois Association of Park Districts, serving on the Distinguished Agency Accreditation Review Committee. Mary and her family have lived in Chicago Ridge for 34 years. Mary is committed to maintaining the quality of the parks and facilities for all of the current and future residents of Chicago Ridge.

### Bob Meyer

Bob is a longtime resident of Chicago Ridge. He grew up enjoying the Chicago Ridge Park District fields, camps, and outdoor activities within the community. He has a Bachelor of Science Degree in Construction Technology from Purdue University, and his many years of experience building athletic and recreation facilities throughout the Chicagoland area is an asset for our Park District. Bob feels the purpose of the Park District is to enrich our community with exceptional recreation, parks, and facilities that inspire memorable experiences, and he is proud to be a part of that experience as a Park District Board Commissioner. He is married to Cindy and they have a daughter Heidi.

### Our Mission

It shall be the policy of the Chicago Ridge Park District to establish, expand, and improve park and leisure time opportunities, maintain park properties and facilities in a safe and attractive manner, and strive to obtain available land for future generations.

## FIELD TRIPS & THEMED WEEKS

Our summer camp has theme-based weeks and field trips that have been carefully planned and thought out by our team of program directors. Each week has a fun theme and we will wrap up the week with a dress up competition on Fridays. Each camper can participate by dressing up in a way that matches the theme. Field trips are on Tuesdays and Thursdays and scheduled at the time of registration. Field trips are optional.

## ADVENTURERS 1ST-5TH

Turn your child's ordinary summer into a summer of **exciting exploration!** Ivy League's summer camp is filled with indoor and outdoor activities, plus opportunities for fun and friendships. Our program groups campers by grade and encourages their growing ability to make choices, work with others, and assume responsibilities. Enjoy weekly field trips, swimming, team building activities, enrichment clubs and so much more. We have a ton of fun in store for you that will give you an unforgettable summer!

## X-TEAM 6TH-8TH

The most important role that the X-Team members play is being a positive role model for the other campers. This year, our counselors will be choosing campers to interview and be Jr. Counselors where you will help the younger campers in arts & crafts, lunch, clean up and more. You will also gain volunteer and community service experience. Don't worry, you will be rewarded for all your hard work! Our Jr. Counselors will be going on dedicated field trips!

## SPORTS & TEAM BUILDING

We incorporate sports games and team-building activities to nurture a non-competitive environment that focuses on individual skill and personal achievement. Campers will take part in sports such as soccer, basketball, baseball and more.

## SWIMMING

Monday and Wednesday are optional pool days so don't forget your **swimsuit, towel** and **sunscreen!** We sunscreen campers every hour when outdoors.
